

Depot

We always take a step back saying that "What difference is just one person going to make?".

All The Difference!

One person today is a whole movement tomorrow.

Journey

Change is the only constant. But what we could choose is the direction of our journey. The ambition of sustainable development is effort intensive and time consuming but not impossible. Our starting point should be now and our destination a better, healthier planet where no one is left behind. [continue reading...](#)

journey

/dʒəːni/
noun

a long & difficult process of change and development.

see also: passage

impact

/ɪmpækt/
noun

a marked effect or influence.

see also: change

Destination

When a large number of regular people decide to act, intent becomes impact. Every seemingly tiny action results in a breathtaking transformation. Know your power, be aware of the impact you can make.
